Point Blank Range is firing off a second location in the Charlotte area.

The Lake Norman business has scheduled a groundbreaking ceremony for June 2 in the Matthews Commerce Center at 10726 Monroe Road in Matthews.

Demand at the Mooresville location convinced the company to expand, says [Dave Driscoll](#), general manager of the Iredell County facility.

"Applications for concealed carry permits, gun ownership, and demand for firearms instruction continue to rise nationally, statewide and locally, triggering an increased demand for premier firearms facilities like Point Blank Range," he states in a press release about the new facility.

The new location will contain 20 lanes for shooting, divided into three bays for use for pistols, rifles and shotguns.
